Let Them Eat Junk: How Capitalism Creates Hunger and Obesity. Book Description: This is the first book to analyse the food industry from a Marxist perspective. This explosive book provides yet more evidence that the human cost of capitalism is much bigger than those in power will admit. Respected economist Robert Albritton argues that the capitalist system, far from delivering on the promise of cheap, nutritious food for all, has created a world where 25% of the world population are over-fed and 25% are hungry.
